100 default position for DNF/DNS

50, 50 for first, 49 second etc

Series points based on a countdown from 50, 50 for first, 49 second etc

3 races required for a series ranking

Marshalling a race gets you average points of the ones raced (has to be the rider)

Best 3 results used to rank for series competition.

Changing a category means that the points from previous races are lost

You must attend the last race to qualify for a prize
